DOCSSV1:224822.1

PATENT LOCAL RULE 4-3 JOINT CLAIM CONSTRUCTION AND PREHEARING STATEMENT, Case No. C 01-1640 SBA (MEJ)

In accordance with the Court's Order entered February 24, 2003 and Patent Local Rule 4-3, Plaintiff and Counter-Defendant InterTrust Technologies ("InterTrust") and Defendant and Counter-Claimant Microsoft Corporation ("Microsoft") submit the following revised Joint Claim Construction and Prehearing Statement. Pursuant to that Order, the parties have limited their disputes for purposes of the "Mini-Markman" proceeding, to 30 disputed terms and phrases, as identified in alphabetical order in Exhibit B and highlighted in copies of the claims in Exhibit H, hereto.

Submission of "Intrinsic" Evidence

To avoid unnecessary duplication, the parties will submit, prior to the submission of the final briefs in the "Mini-Markman" proceeding (including briefing addressing indefiniteness), a Joint Declaration presenting the Intrinsic evidence (including patents, file histories and cited references). The parties agree that in briefs submitted in the "Mini-Markman" proceeding, a party may cite to evidence that ultimately will be submitted by the parties in such Joint Declaration and need not append such evidence to a declaration in support of a brief. This agreement does not limit either party from submitting any evidence with a declaration accompanying any brief.

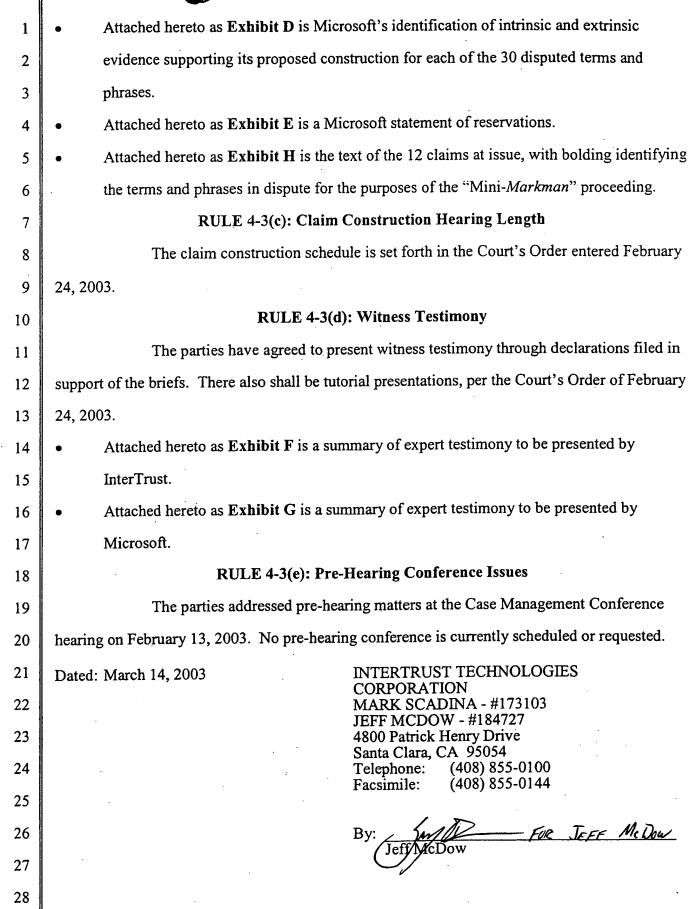

RULE 4-3(a): Agreed Construction

Attached hereto as Exhibit I is a list of claim constructions upon which the parties agree.

To the extent that agreed constructions refer to disputed terms that are not among the 30 terms in the "Mini-Markman" proceeding, such terms are set forth in quotations.

RULE 4-3(b): Disputed Claim Construction Presentation

- Attached hereto as Exhibit A is a list of disputed claim terms set forth in claim order, together with the parties' proposed constructions.
- Attached hereto as Exhibit B is a list of the 30 disputed claim terms in alphabetical order,
 together with the parties' proposed constructions.
- Attached hereto as Exhibit C is InterTrust's identification of intrinsic and extrinsic
 evidence supporting its proposed construction for each of the 30 disputed terms and
 phrases.

Dated: March 14, 2003
